FW: Rich, please post this in R8 newsroom now

Pavillion June 20 2013.docx

Received the following from Greg. Looks like we were left out of the loop. I'll keep you posted if I receive anything else. But its getting late in Taipei and I won't be looking at email until later tomorrow.

Subject: Info on Pavillion

Sorry you all were left out of the loop. I would have thought that HQ had been forwarding info. The last attachment is the EPA press release that went out on Thursday. I may have more this morning and will forward to you and I will also let Rich Mylott to include you three in his info that he sends out.

If you have any questions give me or Rich Mylott a call. Ayn will be back tomorrow.....
